### **Manufacturer Provided Description**

The 240 CC is the latest Cobia to seamlessly mesh tournament capability, family comfort, and style into a single package. Built on a proven hull with superior fuel efficiency and open water running performance, the contemporary deck layout maximizes form and function. A wide open cockpit with level floor from bow to stern, twin 40 gallon in-floor fishboxes, a 28 gallon livewell, and a standard aft tackle station is designed to meet even the most hardcore angler's needs. When the fishing is finished, the 240CC is equally adept as a platform for hosting an elegant sunset cruise or spending a casual day sandbar hopping. Passengers and guests will especially appreciate all the bigger boat amenities like the forward entry walk down head, hideaway rear bench seat with backrest, and the upgrade cushion packages that include double-bolstered helm seats and forward facing backrests for the bow. There's not a better looking and more feature-packed 24 footer on the water.
